

# Prescription Treatment® University Course Outline

## Course #230: Installation and Service of the ADVANCE™ Termite Bait System

### Methodology:

All subject matter is presented in a multi-media format including audio, text, photographs and movie footage delivered over the web and on companion CD-roms. All lessons are supported throughout with quizzes. Each course culminates in a 25 question Final Exam that students must pass in order to pass the course.

### Overview:

Course #230 covers the basic biology of termites, explains the features and benefits of the Advance TBS components and provides in-depth instructions of how to install and service this termite bait system.

### Outline:

- Biology
- Components
- Preparation
- Installation
- Inspecting & Servicing
- Review

\*Course #230 contains 75 slides and requires approximately 50 minutes to complete.
